Youth Outreach Support is funded by Island Health and the Ministry of Children and Family Development. There is no cost to clients.

Program Goal

To provide a support service that meets the needs of youth.

Referrals

Referrals can be made by community service providers, teachers, counsellors, parents, friends, doctors, RCMP, and social workers, or youth can self refer.

Feedback

- We value your comments! Please tell your worker what you find helpful about Youth Outreach and if there are any changes you think we should make.
- Your participation is completely voluntary and your responses will be kept anonymous and confidential.

Program Outcomes

In 2022-2023:

- Outreach workers provided service to 101 young people.
- Outreach workers met with youth where they were at, making the service very accessible.
